

## PFLAG Manistee Scholarship Guidelines

The PFLAG Manistee Scholarship program will continue in 2025 in memory of founding PFLAG Manistee Board Member, **Jim Toczynski**, for his years of service ensuring an inclusive and supportive community for LGBTQ+ individuals and their friends and families.

Two non-renewable scholarships will be available to students who have demonstrated their ability to support PFLAG's vision of a world where diversity is celebrated and all people are respected, valued, and affirmed regardless of their sexual orientation, gender identity, and gender expression.

### Eligibility

A \$1000 scholarship and a \$500 scholarship will be awarded in the spring/summer of 2025 to high school seniors of Manistee County who are planning to pursue certification in a technical/vocational program or who are planning to attend an accredited college or university in the fall of 2025.

Priority will be given to those applicants who have demonstrated service or a desire to serve the LGBTQ+ community and/or who have demonstrated an interest in social justice, diversity, and inclusion by involvement in school clubs, community advocacy, church groups, etc. Applicants will not be asked to identify their gender identity or sexual orientation.

### Requirements

- A signed and completed scholarship application (including short essay).
- A letter of recommendation (e.g., from a school counselor, teacher, coach or other staff member, pastor, mentor, employer, etc.). You may submit more than one, but only one letter is required.
- Your application, with essay and letter of recommendation, must be submitted by **Friday, April 4, 2025** either through the PFLAG Manistee website, via email or by mail.

Please share an essay (approximately 300 to 700 words) that describes:

- How your experiences have influenced who you are today (tell us about you and what is important to you); and
- What you have done and/or what you will/want to do to create or contribute to more socially just communities and/or support the LGBTQ+ community, or other marginalized or underrepresented people.

The purpose of this essay is to simply learn a bit about the person you are and the person you hope to become - no stress!
